Caterpillar Vever. The symptoms of the ailment known to doctors as "caterp!llar rash" are intense irritation on the palms, and some-times on the face, accompanied by a number of blisterlike swellings which, when they occur round the eyes, somevision. The preventive is to leave vision. The preventive is to leave hairy caterpillars alone. As the "palmer worm," the hairy caterpillar of the gold tail moth, one of the com-monest and most beautiful objects of the country at midsummer, passes from hand to hand, it leaves on every palm a few of its loosely attached hairs, and those hairs are possessed. hairs, and those hairs are possessed. for the protection of the caterpillar against birds and browsing animals, of what scientists call "urticating prop-erties." "Urtica" is the Latin for "net-Many other hairy caterpillars are almost as bad 13 the "palmer worm," and as a general rule the less you handle any halry caterpillar the better.-London Mail.

The Benefit of Exercise. Exercise does for the body what the

mountain side does for the stream of water. When the water runs down the mountain side it is a babbling brook, leaping out into the air now and then, throwing itself into spray, exposing itthrowing itself into spray, exposing itself to the air and sunshine and the waters are crystal pure. In the valley or on a level plain the waters may form stagmant pools and get covered over with slime of all sorts and inhabited by all kinds of filthy creeping things. Some people let themselves get into the condition of that stagment pool and then wonder why the frogs croak in their brains and why the birds do not sing instead. When a person gets into the condition where the body is like a stagnaut pool a radical change must be made in his life. He must begin by getting vitalized, new blood into all his cells and tissues.—Good Health.

After the battle of New Orleans, says Thomas E. Watson in his magazine, when the victor had been crowned with laurel in the cathedral and acclaimed like a demigod through the streets, it was of his mother that he spoke to the officers whom he was about to disband -their giorious work being done.
"Gentiemen, if only she could have
lived to see this day." As you follow the narrative of Andrew Jackson's career, you will hear him say many things that you will not approve, will see him do many things which you cannot applaud, but when you re call that at the very top notch of his success and his pride his heart stayed in the right place and was sore because his mother could not be there to glad-den her old eyes with the glory of her son you will forgive him much in his life that was harsh and cruel and ut-

sweetheart of "Robin Adair." "Robin Adair" was written by Lady Caroline Keppel, the daughter of the Earl of Albemarie. Robin was a real character, a young Irish doctor who had been forced by a scandalous ad-venture to leave Ireland and seek his fortune in England. Chance threw a rich patient in his way, a lady of quality, and at her house he met Lady Caroline, and the result was a case of love at first sight on both sides. Her parents objected and sent her away, and during her absence she produced

England's Youngest Bride The youngest bride who was ever led to the altar in England, so far as we can discover, was little Catherine Apsley, who had only seen four sum-mers when she became the wife of the first Earl Bathurst, who was exactly double her age. The tiny ring worn by Catherine on this occasion, over two centuries ago, is still preserved Lord Bathurst survived to see the eighty-third anniversary of his wedding day, while his lady was a wife for seventy-six years.—London Chronicle.

"You objected to Jack because he had to work for a living, didn't you, mamma?"

"Yes, my dear. He doesn't belong to our class. "Weil, it's all right now. May be call

"Has some one left him a fortune?"

"No, but he's lost his job."-Cleve-Wanted Some of the Same.

A ilttle boy was taken by his father into a cafe for dinner. As they were eating their dessert the father handed the waiter a bill, which that worthy carried to the cashier's desk, returning presently with a little pile of change on a silver plate. Robby's eyes grew bright. "Oh, papa," he said, "I'd like a plate of that too!"—New York Her-ald.

Gounod's Progress. "As you advance further in your art," said Gounod to a young poet, "you will come to think of the great poets of the past as I now appreciate the great musicians of former times. When I was your age I used to say 'I;' at twenty-five I said 'I and Mozart;' at forty, 'Mozart and I;' now I say

A Healing Gospel.

A Healing Gospet.

The Rev. J. C. Warren, pastor of Sharon Baptist Church, Belair. Ga., says of Electric Bitters: "It's a Godsend to mankind. It cured me of lame back, stiff joints, and complete physical collapse. I was so weak it took me half an hour to walk a mile. Two bottles of Electric Bitters have made me so strong I have just walked three miles in 50 minutes and feel like walking three more. It's made a new man of me." Greatest remedy for weakness and all Stomach, Liver and Kidner complaints. Sold under guarantee at E. S. Leadbeater & Sons' drug store. Price only 50c.

Prof. Tyler, of Amherst college, said recently: "A man can live comfortably without brains; no man ever existed without a digestive system. The dyspeptic has neither faith, hope or charity." Day by day people realize the importance of caring for their digestion; realize the need of the use of a little corrective after overesting. A corrective like Kodol For Dyspepsia. It digests what you eat. Bold by W. F. Creighton & Co., 401 Kingstreet. HEADLESS ROE HERRING, cleaned and packed on shore when caught; also Prices Roe Herring for sale by 1 C. MILRURN
